

Since 1964 our family has made *Authentic Italian Food Products* for customers like you. Our family's love affair with pizza began over 70 years ago when our founder Gaspare Fallucca, lovingly known as "Papa", was a boy growing up in the Sicilian countryside. Papa immigrated to America with a love of Italian food in his heart and cherished family recipes in his suitcase. Gaspare saw America as a land of limitless opportunity, he fell in love and married Providenzia Feliccia, a fellow Sicilian, and together they started an Italian bakery on Milwaukee's East Side. Their shared passion for Italian food drove them and their successful bakery soon expanded into a restaurant & pizzeria, which quickly became the talk of town among food critics, celebrities and those seeking an authentic Italian pizza. In 1983 at the urging of a local Italian grocer our family brought its passion for pizza to the frozen pizza business and have been making history ever since with our **Palermo's brand of pizzeria-quality pizzas**. Our family's second generation now carries on our founders' unwavering dedication to quality, we hope you will enjoy the taste of our tradition.
