

Milwaukee Bucks 2011-2012 Charitable Ticket Program Guidelines

This 2011-2012 season The Milwaukee Bucks have several ticket donation programs whereby schools, community groups and local non-profit and charitable organizations are able to enjoy Milwaukee Bucks Basketball in the Bradley Center. These tickets have been provided by the Milwaukee Bucks organization and Team President Senator Herb Kohl.

Every effort is made to provide 4-6 weeks advance notice of available tickets. In some cases these tickets are donated shortly before a scheduled game (possibly within 48 hours of game time). Registered organizations are eligible to receive 25 to 150 tickets for a Bucks home game. **Organizations are asked to only request the amount of tickets they feel will be utilized. Under any circumstance, organizations with unused tickets or attendance below 50% will be contacted and removed from the program for the remainder of the 2011-2012 season.**

The Milwaukee Bucks hold the right to permanently remove from the program and prosecute to the fullest any organization or individual who participates in the re-selling or further mishandling of charitable tickets.

When tickets become available for a given home game, we will contact and inform you of your game date and game time. We will also ask that you fill out a Federal Income Tax Form 8283 (charitable donation.) We will provide this form to you when you receive your group tickets. **Organizations who fail to fill out or mail in their tax form for a given game will be removed from the program.** The Milwaukee Bucks require students/youth under 18 years of age be chaperoned by an adult.

Please submit your application immediately to provide the best opportunity for your participation in this year's program.

My 501c3 organization agrees to the terms and conditions above set in place for the 2011-2012 NBA season as it relates to the Milwaukee Bucks Charitable Ticket Program.

Print Organization Name: _____.

Representative Name (Print): _____ Date: _____.
