BEAR NECESSITIES

- The Grizzlies have lost 19 consecutive games (Jan. 31-March 15), the longest single-season losing streak in the Memphis era and tied for the second-longest losing streak in franchise history behind only the Vancouver Grizzlies' 23-game losing streak that spanned from Feb. 16-April 2, 1996... This is the longest losing streak by any NBA team this season.
- Memphis is looking to avoid becoming the first NBA team to lose 20 straight games within a single regular season since the Philadelphia 76ers lost 26 in a row from Jan. 31-March 27, 2014... No Western Conference team has lost 20 straight games in the same season since the Denver Nuggets dropped 23 in a row from Dec. 9, 1997-Jan. 23, 1998.
- The Grizzlies are also looking to end a season-long tying eight-game home losing streak and win at FedExForum (and overall) for the first time since Jan. 29 vs. Phoenix... The franchise has never lost nine straight at FedExForum... A loss would mark the team's second-longest home losing streak ever behind only an 11-game home skid from Feb. 16-March 31, 1996 at the General Motors Place in Vancouver.
- Tyreke Evans** totaled 25 points, five rebounds and nine assists on March 15 vs. Chicago, his first game back from a 10-game absence due to a right rib injury... Evans has 12 games of at least 20 points, five rebounds and five assists in just 50 appearances this season... The franchise record for 20-5-5 games in a single season is held by **Pau Gasol**, who did it 16 times in 80 games during the 2005-06 season.
- Dillon Brooks** is averaging 19.3 points (.473 FG/.424 3P) in 30.8 minutes in his last six games, including a career-high 29-point outburst on March 7 at Chicago.
- Memphis is 11-45 (.196) this season without **Mike Conley**, who will miss the remainder of the season.

Memphis, Tenn. – **Brandon Jennings** debuted with a near triple-double to begin his second stint with the Milwaukee Bucks, sending the Memphis Grizzlies to an 18th straight loss... Memphis had 30 points off 19 Milwaukee turnovers... The Grizzlies used their 27th different starting lineup of the season... Memphis, which last won on Jan. 29 vs. Phoenix, owns the longest losing streak by any NBA team this season.
- Memphis also had an 11-game losing streak earlier this season (Nov. 11-Dec. 2)... - The last NBA team to lose 20 straight regular season games within the same season was the Philadelphia 76ers, who lost 26 in a row from Jan. 31-March 27, 2014.

BIOGRAPHY

J.B. Bickerstaff enters his second season with the Grizzlies and his first as interim head coach after being named to the position on Nov. 27, 2017.

Before coming to Memphis, Bickerstaff spent five seasons (2011-16) with the Houston Rockets. Initially hired as an assistant coach, he was named interim head coach early into the 2015-16 season and guided the Rockets to a 37-34 record to close the season with a postseason berth. Prior to his time in Houston, Bickerstaff spent four seasons (2007-11) as an assistant coach with the Minnesota Timberwolves and three seasons (2004-07) as an assistant coach with the Charlotte Bobcats under his father, **Bernie Bickerstaff**. He was the youngest assistant coach in the NBA when he began with the Bobcats at age 25 in 2004-05.

Prior to his NBA coaching career, Bickerstaff provided color analysis on radio broadcasts for the Timberwolves during the 2003-04 season. Prior to that, he served as director of operations for the University of Minnesota's men's basketball program, where he oversaw all administrative areas of the program and assisted the coaching staff with recruiting, scouting and coaching. Bickerstaff played two seasons (1999-2001) with the Golden Gophers to complete his collegiate career after playing two seasons at Oregon State University, where he was the youngest NCAA Division I player as a 17-year-old freshman.

Bickerstaff and his wife Nikki currently reside in Memphis and have three children: Blair, Blakely and Blade.
