HISTORIC COMEBACK

- + The Suns completed one of the most historic comebacks in NBA history in the team's 119-117 win over Sacramento on Jan. 16, 2023. Trailing by 22 with 8:22 remaining in the game, Phoenix used a 32-8 run to close out the game for the two-point win. Per the Elias Sports Bureau, 22 points is the largest fourth-quarter deficit the Suns have overcome to win since the league added play-by-play during the 1997-98 season. Since 1997-98, there have been over 8,200 team to face a deficit of 20+ points with less than 8 minutes remaining in the 4th quarter of a regular season game. The Suns comeback marked just the second time a team has comeback to win, per Elias.

A NEW ERA OF THE SUNS

- + On Feb. 7, 2023, **MAT ISHBIA** completed the acquisition of the controlling ownership interest in the Phoenix Suns (NBA) and Phoenix Mercury (WNBA) franchises, the operating entity for Footprint Center and affiliated entities following the NBA Board of Governors approval. With the transaction, Mat became the Governor of the Suns and Mercury while **JUSTIN ISHBIA**, CEO and Founder of Shore Capital Partners, becomes the second largest shareholder and Alternate Governor.
- + **ABOUT MAT:** Mat is the chairman, president and CEO of United Wholesale Mortgage (UWM), the number one overall mortgage lender in the nation. Under Mat's leadership, UWM has become one of the most innovative leaders in the industry and has grown from a 12-person company to a nearly 7,000-person team working together on one campus in Pontiac, Michigan. At the end of 2021, UWM broke the record of wholesale volume in one year with over \$226.5 billion in mortgage originations, while holding the title of the fastest-growing mortgage company in America. Prior to joining UWM, Mat played on Michigan State University's basketball team for four years – going to three Final Fours and winning the National Championship in 2000. He also spent a year coaching alongside Tom Izzo. Mat graduated from MSU's Eli Broad College of Business in 2003.
- + **ABOUT JUSTIN:** Justin is the Founder and Managing Partner of Shore Capital Partners, one of the nation's best performing private equity firms with offices in Chicago and Nashville. Since the firm's inception in 2009, Justin has grown Shore from 4 to 120 team members managing over \$6 billion in Regulatory Assets Under Management across more than 50 platforms representing 800+ acquired companies. By the end of 2022, Shore has been recognized each of the last 3 years as one of Inc. Magazine's Top Founder-Friendly Private Equity Firms. Justin is also a member of the Vanderbilt University Board of Trust and Chicago's Museum of Science and Industry Board.
- + The Ishbia Brothers' business acumen and passion for the game will invigorate the Suns and Mercury in the continued effort to compete at a championship level. Mat and Justin join two storied franchises which have a combined 5 Finals appearances and 3 Championships since 2007. Their collective desire to use sports as a conduit for establishing community will enhance the already devoted and dynamic Phoenix fan base. As the NBA's youngest controlling owner and a former college basketball player, Mat will be in a unique position to create strategic opportunities within the greater Phoenix community that reflect the Suns' and Mercury's shared commitment to excellence on and off the court.

Respected throughout the league for his culture building and championship pedigree, Frank Vogel is in his first season as head coach for the Phoenix Suns in 2023-23 after being named the 21st coach in franchise history on June 6, 2023.

As the Suns conducted their coaching search, Vogel stood above due to his track record of success throughout his time as an NBA head coach, bringing to the Suns the experience of what it takes to capture a title and build a winning culture around talented players. His creativity and ability to build relationships were also significant factors as Vogel has established the skill to connect with and develop players, and to construct a dynamic coaching staff.

Vogel, 49, is in his 12th year as an NBA head coach, having seen stints with the Indiana Pacers (2011-2016), Orlando Magic (2016-2-18), Los Angeles Lakers (2019-2022) and Phoenix Suns (2023-current), winning an NBA Championship with the Lakers in 2020 and amassing an overall record of 480-422 as a head coach. In three of his seasons as a head coach, Vogel's team has led the league in defensive rating and he has guided his team to a top-three finish in defensive rating five times; since he entered the NBA head coaching ranks in 2010-11, no head coach has led the league or ranked in the top three in defense more often than Vogel.

Over his 12-year head coaching career, Vogel has guided his teams to three division titles, earning a No. 1 seed for the playoffs in two of those seasons. He has five times been named an NBA Coach of the Month, three times finished in the top five in NBA Coach of the Year voting and twice served as head coach for the NBA All-Star Game.

Vogel has led his teams to the playoffs in eight of his 12 seasons as a head coach, three times progressing to the conference finals including the league title in 2020. Vogel holds a .557 winning percentage in 88 postseason games as a head coach, which ranks 15th in NBA history among those who have coached at least 70 career playoff games.

Vogel spent eight seasons as an NBA assistant coach before becoming a head coach, making stops with the Boston Celtics (2001-2004), Philadelphia 76ers (2004-05) and Pacers (2007-2011) before being named the interim head coach for Indiana midway through the 2010-11 season, guiding the Pacers to their first playoff appearance since 2006. He was officially named the team's head coach that offseason and went on to total an overall record of 250-181 at the helm of the Pacers, remaining the Pacers' franchise leader in NBA wins. Indiana reached the postseason in four of his five seasons there, including back-to-back trips to the Eastern Conference Finals in 2013 and 2014.

After two seasons as Orlando's head coach from 2016-2018 where he oversaw a young and developing roster, Vogel headed west to become the 27th head coach in Lakers franchise history. In his first season in Los Angeles in 2019-20, Vogel helped guide the team with All-Stars LeBron James and Anthony Davis to the West's best regular season record and a 16-5 playoff run on the way to the NBA championship.

A graduate of the University of Kentucky, Vogel was a student manager for head coach Rick Pitino and contributed to the Wildcats' national title in 1996. He transferred to Kentucky following three years as a starter for Division III Juniata College and got his start in the NBA as the head video coordinator for Pitino with the Boston Celtics before earning his first assistant coaching role with Boston in the 2001-02 season.

A native of Wildwood Crest, N.J., Vogel and his wife Jenifer have two daughters, Alexa and Arianna.
