The Boston Celtics practice at The Sports Authority Training Center at HealthPoint, a 140,000-square-foot wellness and fitness center in Waltham, MA. HealthPoint, which opened in the Spring of 1999, houses a full-service, state-of-the-art wellness and fitness center, medical office building, along with the Celtics' training site.

The Sports Authority Training Center at HealthPoint features an expanded basketball court, locker rooms with spa amenities, training room, strength and conditioning area, meeting rooms and offices, a Hall of Fame Room and media briefing areas. With such a training center, the Boston Celtics are able to provide their athletes and coaches a unique and productive atmosphere in which to practice, work and train.

"This wonderful, first-class facility meets and exceeds the high standards set forth in the proud and rich tradition of the Boston Celtics," said Celtics Head Coach Doc Rivers.

Developed by CareGroup, together with two of its founding hospitals, New England Baptist Hospital and Deaconess Waltham Hospital, and TBG Development of St. Louis, the center is the first hospital-affiliated, medically based wellness and fitness center in the Boston area. The venture also puts these partners at the forefront of a trend to bring sports, fitness and medicine together.

The facility is located at 840 Winter Street in Waltham, providing easy access not only to residents of Waltham and surrounding towns, but to others who work or live along the Route 128 belt. The wellness and fitness center is open to the public for use.

Since its grand opening on September 30, 1995, the TD Banknorth Garden has become New England's premier sports and entertainment facility. Although it is best recognized as home to two of the most storied franchises in all of sports (the Celtics & the Bruins), the arena also hosts such events as ice shows, the circus, gymnastics, concerts, pro-wrestling and the Beanpot.

The state-of-the-art TD Banknorth Garden features numerous modern amenities that the old "Gah-den" was never able to offer. New England sports and entertainment fans can now enjoy the luxuries of a year-round, 19,600-seat facility, fully equipped with two restaurants, a private club, air-conditioning, 104 executive suites, 4 promenade suites, more than 2,500 club seats and a multi-million dollar video scoreboard. At more than 200 public events, the TD Banknorth Garden hosts well over 3.5 million people each year!
