PLAYER PERSONNEL GUIDE

ACTIVE LIST

The maximum number of active players is 12, the minimum is 11. At no time shall a team be permitted to dress fewer than eight players for a regular game or nine for a playoff game. During the off-season and training camp, teams may carry no more than 20 active players.

INJURED LIST

A player transferred to the injured list and replaced by another player due to injury or illness must stay there for no fewer than five games.

TEN-DAY CONTRACT

On the 56th day following the first game (January 5), a team may sign a player to a 10-day contract. This procedure may be used only to replace a player assigned to the injured list. No player may be signed to more than two 10-day agreements.

TRADING DEADLINE

No trades are permitted after 3:00 p.m. Eastern Time on February 24, 2005. From that point to the end of the regular season, player additions must be made through the waiver procedure or by signing free agents.

WAIVERS

From August 15 to the end of the regular season, clubs may claim waived players within 48 business hours after notice. Players waived at any other time may be claimed within 10 days. If no team claims the waived player, he becomes a free agent.

GUARANTEED CONTRACT

On January 10, 2005, all player contracts become guaranteed for the remainder of the season.

PLAYOFF ROSTERS

Must be submitted by 3:00 p.m. Eastern time on the day following the last day of the regular season (regular season ends April 20, 2005).

RENUNCIATION OF AMATEUR ELIGIBILITY

A person who is at least 17 years of age and whose high school class has graduated shall become eligible for the college draft if he renounces his intercollegiate basketball eligibility by written notice to the NBA at least 45 days prior to the draft. Prior to the 45 days before the draft, teams may not make direct contact with players who have intercollegiate basketball eligibility left. Clubs may contact players without remaining eligibility but may not discuss compensation.

TRADING OF FIRST DRAFT CHOICES

No team may sell or trade its right to select a player in the first round of the college draft if the result of such an exchange would be to leave the club without first round picks in any two consecutive drafts.

PRE-DRAFT CAMPS

Prior to the college draft, teams are prohibited from conducting so-called "mini-camps" for prospective players eligible for the draft.

SALARY CAP

The 2004-05 salary cap is \$43.87 million.

INSTANT REPLAY

* Instant replay review will be triggered automatically - and not at the discretion of the officials or teams - in the following situations:

FIELD GOAL ATTEMPTS

* A field goal that could affect the outcome of the game is made with no time remaining on the clock (0:00) at the end of the fourth quarter or any overtime period.

* A field goal is made with no time remaining on the clock (0:00) at the end of the first, second and third quarters.

Once replay is triggered in either of these two situations, the officials will review instant replay to determine whether time on the game clock had expired before the ball left the shooter's hand. If the shot was timely, the officials may also review the tape to determine if the field goal was scored correctly as a two-point or three-point basket, whether the shooter committed a boundary line violation when he released the ball and whether a 24-second clock or 8-second backcourt violation occurred before the shot.

FOULS

* A foul for which the resulting free throws could affect the outcome of the game is called with no time remaining on the clock (0:00) at the end of the fourth quarter or any overtime period.

* A foul is called with no time remaining on the clock (0:00) at the end of the first, second and third quarters.

In these situations, officials will review instant replay to determine only whether the called foul occurred prior to the expiration of time on the game clock and not whether the call itself was correct.
