HEAT SPELLS IT AND YELLS IT COMBO

Skills are required for this activity. If you don't have any skills, borrow them from a friend - or pick up a copy of the Do It Yourself Fan Guide - Part 1 to learn the skills that will help lead you through the RED ZONE and life.

SAY IT LOUD! SAY IT PROUD!

You need a good set of lungs, and help from your friends or fellow HEAT fans -- louder the better. Use your Soda Cup Megaphone to achieve an acceptable level of loudness. Your role as cheer-meister is to inspire all those around you to join in and kick it up! Below are a few snappy little cheers for you to start off with. Have fun!

⚠️ Cheer improv is always good. Careful not to hurt anybody's feelings. Refs are people too (yeah, right).
