

Prep Class Info

Prep Classes:

Audition prep classes are designed to introduce dancers to the style of choreography performed by Nuggets Dancers. Classes are open to all dancers over 16 years of age (Dancers under 18 years of age will need to have a parent or guardian present to sign a waiver on their behalf).

A new routine, performed by the 2008-2009 Nuggets Dancers, will be taught at each prep class. Prep class participants will have the opportunity to speak with current Nuggets Dancers and have a Q&A session with Nuggets Dancers Director/Choreographer, Amy Jo Wagner. Q&A topics will vary from class to class and will include: tips on audition and interview attire, professional make-up application and hair styling, resume writing, and interview preparation.

The cost of each prep class is \$15 in advance or \$20 at the door. Payments must be received 48 hours prior to the start of the prep class. Early registration is highly recommended.
