To Whom It May Concern:

My name is Jorge Vargas and I am the Sports Director at The WB In Houston. I have been covering sports in the Houston area for at least 17 years and have seen my share of mascots.

I understand that a mascot hall of fame has been established. The Houston Rockets Clutch is an ideal inductee. He is more than a mascot he's a part of the team. This year Clutch has kept fans excited and involved despite a disappointing season. He is a cheerleader and a comedian. Fans never know what to expect next. In fact Clutch is non-stop, not just Half time entertainment. And Clutch's work doesn't end on the court either. Whether with the Rockets or on his own time he puts children first making appearances at schools, hospitals, and parks. He's even motivated my on-air colleagues and I to give more of our time.

Clutch's natural talent for entertaining and caring make him the best in the business.

Please give every consideration to inducting him into The Mascot Hall of Fame.

Thank you,
