1975-76 (Suns 42-40 Regular Season)

Beginning with the 1974-75 season, the league was divided into the four divisions and two conferences we know today. Five teams from each conference advanced to the playoffs. The winningest three teams received a bye in the first-round, the remaining two teams played in a best-of-five first-round series. The best-of-seven semifinals pitted the first-place team against the winner of the first-round and the second and third-place teams against each other, with the winners advancing to the conference finals and the NBA Finals.

This procedure changed slightly prior to the start of the 1976-77 season when additional teams were added to the league. At that time, six teams advanced to the playoffs and each of the division winners received a bye to the semifinals. Again, the first-round of the playoffs was a best-of-five series and each of the three following series were best-of-seven.
