The Sixers are challenging local elementary school students to read at least 760 pages or more.

Read 760 pages between September and October and receive a Sixers Book Break Challenge Completion certificate and a Complimentary Ticket Offer to attend a game during the 2010–2011 regular season.

The Sixers want to see how many middle school students can obtain and maintain a 3.0 grade point average or equivalent.

All students receiving a 3.0 or higher during one grading period will receive a Sixers Shoot For Success 3.0 Program Completion certificate and a Complimentary Ticket Offer to attend a game during the 2010–11 regular season.

First 10 schools to sign-up for either the Book Break Challenge or the Shoot For Success 3.0 Program will receive an assembly hosted by Hip-Hop!
