

RUMBLE BIRTHDAY EXPERIENCE

211 N. Robinson, Suite 300, Oklahoma City, OK 73102 405.208.4736 f 405.208.4737

Are you ready for a birthday party to remember? **Rumble will turn your ordinary party into an extraordinary one.** Rumble will arrive riding on top of his customized van with sirens blazing, music pumping, and streamers flying through the air. As Rumble says hello to the lucky birthday person and his/her friends, Rumble's assistant will prepare the basketball hoop that is attached to the back of the van. Next, Rumble will run the party participants through a few hoop-shooting games and give out prizes to the winners. Don't worry, everyone gets something just for trying and the games are altered to fit the age group. Once the games are finished, Rumble will present the birthday person with a special gift. **No one leaves a Rumble birthday party without something.** Rumble will hand out goody bags to everyone in attendance and sign autographs to help make the day one to remember. Group or individual photos can be taken during or at the end of the party. Finally, Rumble will hop back on top of the van and ride away waving to the crowd.

The Rumble Birthday Party Appearance lasts approximately 30 minutes. Rumble likes to interact with each person and make each person feel special. For this reason, we **limit the party to 25 participants.** This appearance includes Rumble goody bags for up to 25 people and a special birthday gift package. Birthday present and goody bag items change periodically. Ask at time of booking what items will be included.

This package is also available for the young at heart and can be altered to fit your specific needs!
