Have you ever wondered how the front office staff at the winningest franchise in the NBA got their foot in the door and advanced their career paths? The Celtics Career Center program is a new opportunity to learn first-hand how Celtics staff navigate their careers in the competitive sports industry. Whether you’re a college student, recent grad, or seasoned professional, this eight-week virtual program will give participants unprecedented access to the best in the business in an effort to help advance your career in sports.

Choose between one of two Celtics Career Center options and complete your registration below.
