## COMMUNITY INITIATIVES

As the New Orleans Pelicans begin their first year under the team's new identity, the organization will focus on two key initiatives critical to the future success and prosperity of the Gulf South region: the health and sustainability of our coastal wetlands and the health and fitness of our region's children.

In conjunction with our community and corporate partners, the Pelicans are developing outreach programs that will make this message known and positively impact and inspire the lives of individuals in our community.

The health of the coastal wetlands is vital to growth and success of the state and region. The Louisiana wetlands provide 30% of the seafood catch in the contiguous U.S. Our wetlands habitat is also home to a wide variety and number of wildlife and plants.

Over 80% of wetland loss in the United States occurs in Louisiana – the equivalent of 12 basketball courts is lost every 30 minutes. The Gulf Coast has lost more than 55% of the wetlands that were here when the first Europeans arrived in the 15th century – a loss of more than 100 million acres.

The Pelicans organization is an advocate for the health and wellness of children in the Gulf South. With the ongoing goal of helping kids find the excitement in being active, the Pelicans launched their Junior Training Camp program. Junior training camps will engage participants in activities focused on creating a fun and memorable basketball experience, while also being active and healthy.

To help support its community initiatives, the team hosts an annual gala, Toast to the Coast. For more information about the team's work in the Gulf South, visit Pelicans.com.

NBA Cares is the league's global social responsibility program that builds on the NBA's mission of addressing important social issues in the United States and around the world. Through this program, the NBA, its teams and players have donated more than \$220 million to charity, completed more than 2.5 million hours of hands-on community service, and created more than 810 places where kids and families can live, learn, or play, in 25 countries and territories on five continents. NBA Cares works with internationally recognized youth-serving programs that support education, youth and family development, and health and wellness, including: KaBOOM!, Special Olympics, Boys and Girls Clubs of America, UNICEF, the Make-A-Wish Foundation, and GLSEN.
