UNITE. INSPIRE. ACTIVATE.

## Utah Jazz Week of Action

January 19

Lincoln Elementary School

Details: Partnership with the MLK Commission to share Dr. King's six principles of non-violence with 4th and 5th grade students. Following a larger group discussion, the MLK Commissioners will break off for a short discussion with smaller groups/classes. We're also inviting each participating class to decorate their room in a theme that represents Dr. King's legacy. Each class will also be challenged to perform service in honor of Dr. King, specifically to share what they learn through this experience with other classes and students within the school.

Each student will receive a Jazz team poster and small Jazz swag items.
