SIXERS SECONDARY MARKET: LINKING YOUR SIXERS & STUBHUB ACCOUNTS

StubHub is the Official Ticketing Partner of the Philadelphia 76ers. This partnership provides a simple, seamless experience for all Sixers ticketing needs, including barcode integration that offers Sixers season ticket members a fast, simple way to list and sell tickets. As the world's largest ticket marketplace, StubHub ensures your tickets receive the most exposure. It also allows you to set your own price, deliver tickets instantly and choose your preferred method of payment without ever having to deal with the buyer.

In order to take advantage of the integrated experience, you must enter through mysixerstickets.com and log into your online account manager to list selected inventory. Entering directly from StubHub.com will not provide access to your inventory. The first time you access StubHub, you will be asked to link your Sixers account. In order to do so, you will need your Sixers account number and Sixers PIN. Both of which can be provided by the Sixers.

How-To Link Your Sixers & StubHub! Account:

- Select "Register" located in the upper right-hand corner.
- Enter your email address
- Please use the same password associated with your Sixers Online Account and confirm
- Select the option indicating you are a 76ers Account Holder
- Enter your Sixers account number and pin number (provided to you by the Sixers)
- Check the box agreeing to the Terms & Conditions and select "Continue"
- This will then take you to the StubHub! homepage

If you have not previously listed your tickets for resale on StubHub via your online account manager, please select the **REGISTER** button. You will need your **account number** and **Sixers PIN** in the next step.
